Short Training Courses

Civil / Building	Course Fee	Duration
Electrical	R9,000	15 Days
Aircon and Refrigeration	R9,000	15 Days
Bricklaying	R9,000	15 Days
Painting and Decorating	R9,000	15 Days
Carpentry	R9,000	15 Days
Plumbing	R9,000	15 Days
Heat Pump	R5,000	5 Days
Carpentry and Joinery	R9,000	15 Days
Property Maintenance	R9,000	15 Days
Solar	R9,000	10 Days
Solar Geyser	R6,000	5 Days
Solar Power	R6,000	5 Days
Road Maintenance	R9,000	15 Days
Mechanical		
Fitting	R9,000	15 Days
Boilermaking	R9,000	15 Days
Sheet Metal Work	R9,000	15 Days
Pipe Fitting	R9,000	15 Days
Rigging	R9,000	15 Days
CNC Programming	R9,000	15 Days
Boilermaking & Pipe Fitting	R13,500	25 Days
Cutting Torch & Plasma Cutting	R7,000	3 Days
Boilermaking & Co2 Welding	R15,000	25 Days
Telecommunication		
Fibre Optics Technician	R12,000	15 Days
OSP Civil Works Specialist	R9,000	15 Days
Data Cabling (LAN)	R9,000	15 Days

Welding		
Shield Metal Arc Welding - Mild Steel	R9,000	15 Days
Shield Metal Arc Welding - Aluminium	R10,000	10 Days
Shield Metal Arc Welding - Stainless Steel	R10,000	10 Days
Tungsten Gas Welding - Mild Steel	R9,000	15 Days
Tungsten Gas Welding - Aluminium	R10,000	10 Days
Tungsten Gas Welding - Stainless Steel	R10,000	10 Days
Tungsten Gas Welding - Pipe Welding	R10,000	10 Days
CO2 Welding (Gas Metal Arc) - Mild Steel	R9,000	15 Days
CO2 Welding (Gas Metal Arc) - Aluminium	R10,000	10 Days
CO2 Welding (Gas Metal Arc) - Stainless Steel	R10,000	10 Days
Gas Welding - Mild Steel	R9,000	15 Days
Fluxcor Welding / Stovepipe Welding	R10,500	10 Days
Multi-Skilled Welding CO2 + Tungsten (Argon)	R13,500	20 Days
Multi-Skilled Welding CO2 + Arc	R13,000	20 Days
Brazing	R10,000	10 Days
Silver Soldering	R9,000	5 Days
Cutting Torch	R4,000	2 Days
Plasma Cutting	R4,000	2 Days
Angle Grinding	R1,400	1 Day
Automotive		
Auto Electrical	R9,000	15 Days
Petrol Mechanic	R9,000	15 Days
Diesel Mechanic	R9,000	15 Days

Pre-Trade Test Training Boliermaking, Welding, Rigging, Bricklaying, Carpentry Painting/Decorating, Fitting, Plumbing, Refrigeration Electrical & Sheet Metal Work	R 9,500 EA	15 Days

Special Skills Program

Special Skills Programs have been created by EASTC on request of business to address very specific skills needs. Some of these special courses are registered with the Seta and some are not registered as they are specifically created for an occupational outcome. Students are issued a certificate of completion and a statement of results with the unit standards covered detailed where applicable.

Skills Program (15 days or more)

No previous experience is required, but basic entry criteria apply. The training centre provides a platform for school-leavers, people wanting a career change or those people who want preparation for a trade test.

Qualified artisans who want to enhance their skill levels are also accommodated. We do cater for Engineering students that need practical training.

Requirements:

- * A Grade 9 certificate or higher.
- * Students need to be 16 years or older.
- * Have a bar-coded ID document or passport.
- * Must book in advance.
- * Submit original proof of payment.
- * Must have a burning desire to better themselves.

Learnership Programs (1 year)

Learnerships are legacy framework qualifications that still fall under SETA's. Each level is 1 year in duration. Each year has a qualification of its own and needs to be completed successfully in order for the learner to enrol on the next level of learning.

If all three years of a learnership have been completed (NQF 2, NQF 3, NQF 4), the learner may apply for a trade test through the National Artisan Moderating Body (NAMB).

Entrance requirements for a learnership are determined by the qualification, but in terms of the new Trade Test Regulations Gazette, you must have the following qualifications in order to have access:

- * N2 (or higher) with Maths, Science, Technical Drawing, Trade theory, Language and one other subject.
- * Or a Grade 12 with Maths, Science, Language, Drawing and one other subject.
- * Or a technical matric in the trade.

EASTC Course Listing

SETA Apprenticeship Program

SETA Apprenticeships are legacy qualifications that still fall under the SETAs. Based on the model, they can be NQF type which are each 1 year in duration as explained under the learnership model or CBMT (Competency Based Modular Training), which consists of a constant 4 year process without breaks and culminate in a Trade Test. Both routes result in a Red Seal qualification as a full Qualified Artisan.

Entrance requirements for a learnership are determined by the qualification, but in terms of the new Trade Test Regulations Gazette, you must have the following qualifications in order to have access:

- * N2 (or higher) with Maths, Science, Technical Drawing, Trade theory, Language and one other subject.
- * Or a Grade 12 with Maths, Science, Language, Drawing and one other subject.
- * Or a technical matric in the trade.

NATED Courses

Engineering Studies | Trimester 3 - 2021

Nated N3 (Full Course)	Civil Engineering, Electrical Engineering, Mechanical Engineering, Refrigeration, Welding and Boilermaking.
Nated N1 - N3 Subjects (Only)	Mathematics, Building Science, Building Drawing, Building & Civil Technology, Engineering Science, Engineering Drawing, Mechanotechnology, Industrial Electronics, Electro Technology, Plating & Structural Steel Drawing, Refrigeration Technology.

Engineering and Business Studies 2022 | Trimester 1 - 2022

Nated N3 - N6 Full Course)	Civil Engineering, Electrical Engineering, Mechanical Engineering, Refrigeration, Welding and Boilermaking.
Nated N1 - N3 Subjects (Only)	Mathematics, Building Science, Building Drawing, Building & Civil Technology, Engineering Science, Engineering Drawing, Mechanotechnology, Industrial Electronics, Electro Technology, Plating & Structural Steel Drawing, Refrigeration Technology.

Business Studies 2022

Nated N4 - N6 Full Course)	Business Management, Clothing Protection, Financial Management, HR Management, Legal Secretary, Management Assistant, Marketing Management & Public Management.

EASTC Trade Test Preparation

Trade:	Duration:		
	Pre-Assessment	Trade Test Preparation	Trade Test
Electrical	1 Day	15 Days	2 Days
Plumbing	1 Day	15 Days	2 Days
Capentry	1 Day	15 Days	2 Days
Boilermaking	1 Day	15 Days	2 Days
Welding	1 Day	15 Days	2 Days
Bricklaying	1 Day	15 Days	4 Days

PROCESS: 1. PRE-ASSESSMENT 2. GAP TRAINING 3. TRADE TRAINING

Fees Include:

- Learner Material
- Learner Registration
- Internal Assessment
- External Moderation
- PPE
- Pre-Assessment
- Trade Test Preparation
- Trade Test

Requirements:

- 3 x Certified copies of ID
- Proof of atleast 3 years working experience
- Proof of Highest Qualification
- Updated CV
