

We are a practical training college that focuses strongly on employable skills training in the following fields:

TOP TEN COURSES

Boilermaking, Welding, Plumbing, Solar PV, Carpentry, Bricklaying, Aircon & Refrigeration, Electrical, Fitting Motor Mechanic (Diesel & Petrol) and much more.

We equip the students with the essential skills in a workshop environment over a period of 15 days, or shorter, after which students will be competent to start work immediately.

WHO CAN ENROL?

No former training or school qualifications needed.
IDEAL FOR:

- School leavers 16 years or older who wish to specialise in one of these trades.
- Must have a burning desire to improve self.
- People that already work in these trades and want to improve their skills.
- People who want to change their careers.
- People who want to do their Trade Test.

****NEW COURSES START EVERY MONDAY****

****SATURDAY PART TIME CLASSES AVAILABLE****

JOB OPPORTUNITIES

Those with specific Artisan skills offered by EASTC Technocentric Varsity are in demand in a number of industries. The owner of such qualification will be able to choose from numerous occupations in the trade sectors.

QUALIFICATIONS

After successfully completing a course, students receive a semi-skilled certificate with which they have to go and work in the trade for 3 years before they can apply to do their Trade Test with EASTC Technocentric Varsity (for selected trades) or at a registered Trade Test Center.

ENROLMENT REQUIREMENTS:

- Must have I.D or valid Passport.
- Must be at least 16 years and above.
- Full payment must be received before the starting date.

N.B Enrolment forms must be completed and returned at least 1 week before the relevant course begins.

- Companies must request a formal quote before payment is done.
- If the company is paying for the course, the HR Dept. or Manager in charge of the student will be notified accordingly.
- A 10% handling fee will apply for refunds (only original proof of payment will be accepted).

N.B. Students are required to attend a minimum of 70% of classes, otherwise they will be asked to repeat the course at their own cost.
